Additional Information About This Loan

Loan Disclosures

Assumption

If you sell or transfer this property to another person, your lender will allow, under certain conditions, this person to assume this loan on the original terms.

will not allow assumption of this loan on the original terms.

Demand Feature

Your loan

has a demand feature, which permits your lender to require early repayment of the loan. You should review your note for details.

X does not have a demand feature.

Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

- ☐ are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.
- **X** do not have a negative amortization feature.

Partial Payments

Your lender

- may accept payments that are less than the full amount due (partial payments) and apply them to your loan.
- ☐ may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.
- \square does not accept any partial payments.

If this loan is sold, your new lender may have a different policy.

Security Interest

You are granting a security interest in 456 Somewhere Ave., Anytown, ST 12345

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

Escrow Account

For now, your loan

will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Escrow		
Escrowed Property Costs over Year 1	\$2,473.56	Estimated total amount over year 1 for your escrowed property costs: Homeowner's Insurance Property Taxes
Non-Escrowed Property Costs over Year 1	\$1,800.00	Estimated total amount over year 1 for your non-escrowed property costs: Homeowner's Association Dues You may have other property costs.
Initial Escrow Payment	\$412.25	A cushion for the escrow account you pay at closing. See Section G on page 2.
Monthly Escrow Payment	\$206.13	The amount included in your total monthly payment.

□ will not have an escrow account because □ you declined it □ your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow	
Estimated Property Costs over Year 1	Estimated total amount over year 1. You must pay these costs directly, possibly in one or two large payments a year.
Escrow Waiver Fee	

In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.

This payment amount does not include any property taxes, insurance, or other charges that I may be required to pay each month.

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "Prepayment." When I make a Prepayment, I will notify the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the Monthly Payments then due under this Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my Monthly Payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If applicable law sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then (a) any such loan charge will be reduced by the amount necessary to reduce the charge to the permitted limit, and (b) any sums already collected from me that exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any Monthly Payment by the end of _______ calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be _______% of my overdue Monthly Payment. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each Monthly Payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of unpaid Principal, all the interest that I owe on that amount, and other charges due under this Note (the "Default Balance"). That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

If I am in default and the Note Holder does not require me to pay the Default Balance immediately as described above, the Note Holder will still have the right to do so if I continue to be in default or if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay the Default Balance immediately as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees and costs.

7. GIVING OF NOTICES

(A) Notice to Borrower

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it, or by mailing it by first class mail, to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address. I will promptly notify the Note Holder of any change to my physical address and of any change to my mailing address. Unless applicable law requires otherwise, notice may instead be sent by e-mail or other electronic communication if agreed to by me and the Note Holder in writing and if I have provided the Note Holder with my current e-mail address or other electronic address. If I have agreed with the Note Holder that notice may be given by e-mail or other electronic communication, I will promptly notify the Note Holder of any changes to my e-mail address or other electronic address.

(B) Notice to Note Holder

Any notice that I must give to the Note Holder under this Note will be delivered by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety, or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety, or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Mortgage Deed, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses that might result if I do not keep the promises that I make in this Note. That Security Instrument also describes how and under what conditions I may be required to make immediate payment of all amounts I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, Lender will not exercise this option if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender will give Borrower notice of acceleration. The notice will provide a period of not less than 30 days from the date the notice is given in accordance with Section 16 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to, or upon, the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower and will be entitled to collect all expenses incurred in pursuing such remedies, including, but not limited to: (a) reasonable attorneys' fees and costs; (b) property inspection and valuation fees; and (c) other fees incurred to protect Lender's Interest in the Property and/or rights under this Security Instrument.
